# ***STICKPACK!!***

## ***FASHIONABLE AND STYLISH***

Slim appearance is especially suitable for liquid, cream and jelly.

## ***HANDY TO CARRY***

It can be put into bag or pocket to carry easily.

## ***LESS PACKAGING MATERIAL COST***

Compared with other package format such as bottle or can, it can remarkably reduce packaging material cost.

## ***EASY TO DRINK***

It is easy to drink and squeeze due to its lightness, slimness and flexibility.

## ***TOYO'S UNIQUE R-CUT FORMAT***

R-cut stickpack format solves sharp end seal corners to prevent pack damage or hurting consumers' fingers.
